Mr Babula, Please make your reply through docket 18-MISC-05

Mr Babula,

Please make your reply through docket 18-MISC-05.

Include your email reply.

My request will stand until answered through the docket system.

As to clarification of request under 1342(i), all writing presented in sufficient detail to allow replication. Please observe "shall" in 1342(i) and 1342(i)(3) for complete identification and description. I believe there will be writings of identification and description to allow replication used to satisfy the "shall" of 1342(i).

Please describe how citation will be done until the errors in 1353 are corrected.

How will citation made now, be understood after correction without formal adoption of the corrections.

Example: What will a request made now for writings under 1353(c)(8) provide after corrections are made if there are delays in obtaining the writings?

Perhaps you have overlooked my requests made through other dockets?

thanks,

Steve Uhler
