Re: Southern California Edison Company's Request for an Extension of Time to File  
Electricity Demand Form 1.6b in the 2019 Integrated Energy Policy Report

Dear Mr. Bohan:

Pursuant to the California Code of Regulations, Title 20, Article 2, Section 1342, Southern California Edison Company (SCE) respectfully requests an extension of time to submit certain information within the Electricity Demand Forecast Form 1.6b (Form 1.6b). Information about Form 1.6b, including its contents and the filing deadline, was specified in the CEC Staff Final Report "Forms and Instructions for Submitting Electricity Demand Forecasts" that was docketed on January 7, 2019.

SCE respectfully requests a fifteen-day (15) extension of the due date, from April 15, 2019 to April 30, 2019, for submitting Form 1.6b. SCE is unable to provide a timely submission of Form 1.6b due to an internal miscommunication and will need time to compile the data.
