Title 20 training and testing for CEC staff

Additional submitted attachment is included below.

Title 20 training and testing for CEC staff

Dear Commissioners,

Please see that Energy Commission staff are trained and tested in the requirements of your Title 20 regulations prior to staff being given responsibility for any position of employment.

Your staff appear to be operating from underground regulations.

Perhaps your staff are unaware of the requirements of Title 1. General Provisions, Division 1. Office of Administrative Law, Chapter 2. Underground Regulations?

Thanks,

Steve Uhler
