Dear Ms. Martin-Gallardo,

Perhaps you overlooked that my petition was received and filed by the docket unit on April 13, 2019?

Please identify the petition that you claim was received and filed with the docket unit on April 16, 2019.

20 CCR, section 1221(b) requires delivery of a petition for rulemaking through filing of the petition.

20 CCR Section 1208(a) Requires all documents submitted in any proceeding, whether by a party, committee, the commission, or any other individual or entity, shall be filed with the Docket Unit.

A document will be accepted as of the day of its receipt by the Docket Unit or by the automated electronic filing or commenting system.

Filing is complete when a document has been accepted by dockets staff or by the commission's automated electronic filing or commenting system.

Documents that are not filed will not be deemed part of a proceeding's record.

take care,

Steve Uhler
