Housekeeping Items

- Restrooms are located outside this room and to the left and right.
- Refreshments
 - Water fountains located outside, near the restrooms.
 - A lounge is on the second floor along with vending machines.
- Emergencies
 - Lastly, if there is an emergency and the building is evacuated, please follow our staff to the appropriate exits. We will convene at Roosevelt Park, located diagonally across the street from this building.

Public Hearing

- Pursuant to California Administrative Procedure Act, Government Code §11346.8
- No Commissioners will be present
- No decisions will be made
- Paper copies of the Initial Statement of Reasons, Notice of Proposed Action, Proposed Text, and Documents Incorporated by Reference are available for review
- Public comment on proposed regulatory language and proposed negative declaration
- This public hearing is being recorded by a court reporter, and on WebEx
- All statements today become part of the public record.

Summary and Next Steps

- Staff finds the proposed spray sprinkler body standards are
 - Technically feasible
 - Cost-effective to the consumer
- Staff will consider comments from today and from the public comment period.
- Staff will propose 15-day language if any changes are proposed
- Staff will seek adoption at a future Commission Business Meeting

Public Comments

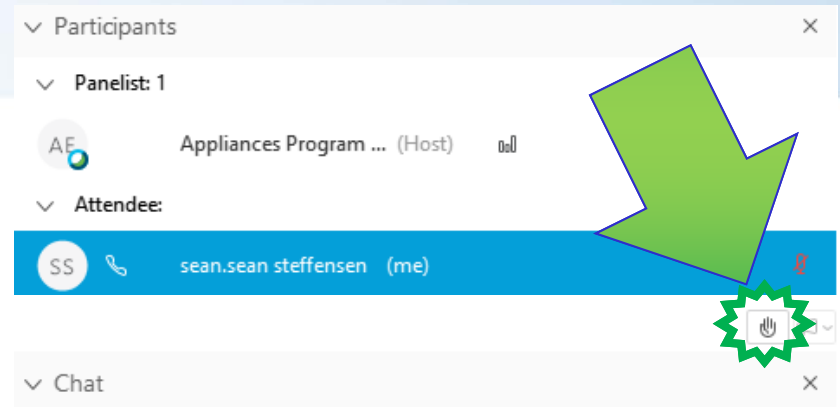

- Public comments from in-person participants
 - Come to microphone
 - Give business card to court reporter for name and affiliation accuracy
 - A copy of your comments is appreciated but not required

Public Comments

- Public comments from Webex
 - Use raise-hand feature
 - Staff will call upon you
 - Type a comment into chat-box and it will be read into record
- Phone only participants
 - All lines will be un-muted

Please state name and affiliation for court reporter

Thank You!
