DOCKETED	
Docket Number:	19-IEPR-10
Project Title:	Climate Adaptation
TN #:	229247
Document Title:	Comparison Table of Indicators Organized by Elements of Climate Vulnerability
Description:	Presentation bySylvia Chi of Asian Pacific Environmental Network
Filer:	Raquel Kravitz
Organization:	California Energy Commission
Submitter Role:	Commission Staff
Submission Date:	8/7/2019 8:32:47 AM
Docketed Date:	8/7/2019

## Laotian Organizing Project in Richmond

- Historic Campaign: Multilingual Warning System (2001)
- Key Lessons
  - Development of community warning systems
  - Targeted outreach to vulnerable communities
  - Identify threats from hazardous facilities
  - Ensure essential facilities are culturally sensitive
