John,
Stanton Energy Reliability Center, LLC (16-AFC-01) hereby requests that the Walmart Laydown Area generally described in Section 2 and depicted in Figure 3 of that certain Petition to Amend dated August 2019 be removed from further consideration. Please process the Petition to Amend as it relates to the Carbon Creek Laydown Yard and the Sears Laydown Yard (Petition Figures 2 & 4 respectively) at the Commission's earliest convenience. The Southern California Gas Company and its pipeline contractor eagerly await use authorization for these additional laydown areas.
Regards,
Kara
