Stated Support:	Up to \$500,000 has been reserved to serve as match funding to support the installation of new publicly available hydrogen dispensing facilities in the Bay Area Air Quality Management District's jurisdiction. Funding is limited to 25% of eligible costs and may not exceed a maximum award of \$250,000 per station. This funding is available to only projects that have been selected for award of state or federal funding through a competitive solicitation and is provided through the Air District's Transportation Fund for Clean Air program.
