Dear Public Advisor Public Advisor,

Please oppose the SMUD staff proposal that will deny thousands of new homeowners and renters the savings and security of rooftop solar and storage, and gut the state "Solar Homes" plan. SMUD's proposal will:

- * Discourage solar from being installed directly on new homes.
- * Make it harder for homeowners to add solar and storage later on.
- * Deny new residents the chance to save hundreds of dollars on their energy bills each year.
- * Deny new residents the ability to keep the lights on during blackouts.

We need homeowners that have good exposure to add solar+ storage, and at the same time we need SMUD to add more renewable energy and phase out fossil fuels. These should be complementary. SMUD should be helping those of us who have solar now to add storage.

David Rowney and Wilhelmina White.

Sincerely,
David Rowney
Rancho Cordova, CA 95670
