Dear Mr. Wynns:

Thank you for your response. I am unclear on how you wish the contact information to read. Here is a typical inclusion in a petition to intervene by an organization:

California Unions for Reliable Energy

Tanya A. Gulesserian

Yair Chaver

Adams Broadwell Joseph & Cardozo

601 Gateway Boulevard, Suite 1000

Dear Mr. Simpson:

I have reviewed petition to intervene filed for Helping Hand Tools on September 24, 2019.

I note that the petition does not contain some of the information required by the California Code of Regulations, title 20, section 1211.7, as it does not provide an email address. This email is directed to the last known email address the Commission has for you.

Also, I note that two phone numbers are listed in the petition:

209-835-7162

209-836-0277

Do you wish both to be reflected in the mailing information for Helping Hand Tools?

Please advise.
