SOLAR ENERGY AND GLOBAL WARMING EFFECTS

Dear CALIFORNIANS.

All of You are in full cooperation for the GLOBAL WARMING PROBLEM and California is receiving back all these Mega Fires from the GLOBALWARMING EFFECT and nothing is studied or considered in California.

Please read my comment below regarding "Solar Energy Equipment" that maybe you find it interesting and maybe, you can start to force to open the eyes to all these blinded people in any energy and political position. What happened to the School of Physics in the last couple of decades? PHYSICS, OPTICS, OPTICAL EFFECTS of any type of MIRRORS that reflect back any type of light that receive. Not all the inventions are quality inventions and no body proved any interest to stop the destruction of our planet.

Thanks.

GLOBAL ENVIRONMENTAL AGENCY.

This is not a report from a SCIENTIST but is a comment by SAVERIO SCALZI, one of the world's resident that sees something far different and wants all of you, the EXPERTS in this field to examine and if you find any truth, to take the proper action to eliminate or to minimize the damages that these equipments produced, a very DANGEROUS NEGATIVE IMPACT to our PLANET, in these last few years.

The subject is the: SOLAR PANELS and SOLAR MIRRORS.

The most DESTROYING EQUIPMENT ever invented and approved with open arms by all the agencies above listed and passed blinded to the people, the best GREEN ENERGY SYSTEM ever CREATED. Countries like the USA pay people and some states are planning to force residents to install the SOLAR PANEL and all it's done for LARGES PROFITS. This is my view that I consider the SOLAR PANELS and SOLAR TOWER MIRRORS, with a very high NEGATIVE IMPACT TO OUR PLANET CLIMATE CHANGES.

THE SUN is part of my COMMENT:

The creator of the UNIVERSE created the only proved living planet in our solar system, with all the necessary resources to keep living things alive. Unfortunately, among the large numbers of high-quality SCIENTIST, INVENTORS and PRODUCERS in every field, we have some SCRUPLES PEOPLE that FALSIFY STATISTICS and for profits invent and produces anything, regardless of the DISASTROUS and NEGATIVE IMPACT in all the surrounding. The SUN is meant to be absorbed by the soil of our planet to nourish the FLORA. Trees of any kind including Fruits. Bushes and Grasses of any kind and sizes and the Micro-Organism below the surface mostly covered with Grasses. The FLORA produces habitat for the FAUNA of any species and above all and most important of all, produce the MOST NEEDED OXYGEN for the existence of our planet. Other parts of the land taken for the SOLAR PANELS and SOLAR

TOWER large quantity of MIRRORS, is AGRICULTURELAND too. Food needed for the IRRESPONSIBLE GROWING OF POPULATION and the FAUNA all over the world, production destroyed by the SOLAR FARMS INDUSTRIES. The worst GLOBAL IMPACT by the SOLAR PANEL and MIRRORS is the TORRID HEAT THAT THEY CREATE and ignored by the above listed AGENCY and all the self-made ADVOCATES. The SOLAR PANELS DO NOT ABSORB THE SUN, as is been told that: ABSORB THE SUN AND CONVERT IT INTO ENERGY. Yes, produce energy but the GLASS OF THE PANELS like the SOLAR TOWERS MIRRORS, reflect the SUN back into the LOWER PORTION OF THE ATMOSPHERE, creating heat waves insupportable by HUMANS, FLORA and FAUNA, creating mortality for many living things. The wind pushes the HEATH WAVES around the lower part of the atmosphere, creating TORRENTIAL RAINING through STORMS, TORNADO'S, CYCLONES and HURRICANES of any size. DESTROYING, INUNDATE, WARMING THE OCEANS CREATING HIGH TIDAL WAVES, WARMING THE ARCTICS and with HEAVY WINDS damaging CITIES, TOWNS and HOMES. Trees falling over LAND LINES and killing peoples too. But in this last decade are produced all these TORRID HEAT WAVES, creating all these MEGA FIRES that are destroying FORESTS and BUILDINGS of any size all around the world, with very HIGH NEGATIVE IMPACT. These FOREST MEGA FIRES are the destruction of all the TREES and FAUNA in the same and surrounding habitat and, burning large quantity of the OXYGEN because, without OXYGEN there will be no fire. And for many years after the fire, until the FLORA starts to come back will be no production of OXYGEN, which is the most important to keep our planet ALIVE and nothing is ANALYZED or CONSIDERED in any level. Native people in the AMAZON are forced to find others places for their living habitat. All the agencies claiming that the GLOBAL CLIMATE CHANGES. The MITIGATION WITHIN THE CITY. The increase of the GREEN HOUSE GASSES (GHG), CO2 and others that are destroying the PLANET, continuously blaming all to the FOSSIL FUELS for everything. Creating taxation to industries and countries blamed for the GLOBAL CLIMATE CHANGE or GLOBAL WARMING and no improvement for all these blamed problems has been PROPOSED or IMPOSED. While other POLLUTERS are completely ignored like, the IRRESPONSIBLE GROWING OF HUMANS and the ANIMAL WORLD that, create more pollution that all the BLAMED INDUSTRIES together. And OTHER MATERIALS used in full harmony like all these GLASSES AROUND BUILDINGS, that reflect the sun as is received. PHYSICS LAWS. OPTICS and EFFECTS are not considered in this world anymore and all for PROFITS. All these disasters are created by US, our HUMAN IRRESPONSIBILITY that if continue, in the next MILLENNIUM, our planet will be like any other in the SOLAR SYSTEM: "DEATH". And regarding the FOSSIL FUELS if some of it is properly used, can save or extend the life of our DYING PLANET. And this is my SHORT REPORT regarding one of the latest WORST INVENTIONS THAT IS CREATING A VERY HIGH NEGATIVE IMPACT TO OUR PLANET, with the BLESSING of all the AGENCIES above listed: The: SOLAR ENERGY
