## **BUSMTG-19-02 Please respond to docketed items**

BUSMTG-19-02 Please respond to docketed items.

I wish to know why my requests have not been fulfilled.

I believe when a item is docketed in 19-BUSMTG-02, the public adviser receives notification through a e-mail containing each document.

Public adviser please see my requests in docket 19-BUSMTG-02 are fulfilled.

There is a petition made pursuant to Title 20 1105(d) listed in the docket.

There are requests to the public adviser to neutrally and publicly relate my points to the commission when the matter of interest is being considered by the commission, pursuant to Title 20 2556(j).

How will the new public adviser fulfill these requests?

Will the public adviser explain publicly to the commission's legislative body, the factors that allowed the commission to overlook these requests?

Perhaps the public adviser should also see that appeals made in 16-JUR-01 are fulfilled.
