RE: Docket 19-BSTD-08: California Needs Solar Roofs

null

California Energy Commission,

Every new roof without solar is a major missed opportunity to lock in pollution-free solar energy. I strongly urge you not to retreat from this important program, and require solar installations on every new rooftop in California.

Sincerely,

Sincerely,
Carol A Newton

California Energy Commission,

Every new roof without solar is a major missed opportunity to lock in pollution-free solar energy. I strongly urge you not to retreat from this important program, and require solar installations on every new rooftop in California.

Sincerely,

Sincerely,
Todd Snyder
