AAER-19-04 Perhaps staff overlooked APA noticing requirements

AAER-19-04 Perhaps staff overlooked APA noticing requirements

NOPA dates and other hearing dates in 19-AAER-04 docket do not reflect the adoption date of 11/13/2019 of regulations for docket 19-AAER-04.

No resolution was docketed in 19-AAER-04 prior to adoption.

No roster of interested persons or parties is in docket.

No record of noticing by other means is in docket for the record pursuant to 20 CCR 1208.

Perhaps those wishing to hear about adoption through 19-AAER-04 mailing list were not informed.

Perhaps the Energy Commission should consider this lack of notice in enforcing the resulting regulations.

I submit this as constructive notice of possible danger or harm to others caused by this lack of APA compliant noticing through this docket 19-AAER-04 prior to adoption.
