Re: Application for Small Power Plant Exemption: San José City Data Center

Dear Bohan:

This office represents Microsoft Corporation (the "Applicant"). Pursuant to Section 1936 of the Commission's Regulations (20 C.C.R. 1936 *et seq.*), on behalf of the Applicant, we are submitting this Application for a Small Power Plant Exemption ("SPPE") for the San José City Data Center ("SJC02") located in San José, California. The SJC02 is a data center which will incorporate backup generators sized to serve a maximum load of 99 megawatts in the event of an interruption of electrical service to the site by the local utility.

Please find attached to this Letter the Affidavit of Peter Witters, Datacenter Engineering Design Manager, signed on behalf of the Applicant, attesting under penalty of perjury that the contents of the SPPE application are accurate to the best of his actual knowledge.

Very truly yours,

MILLER STARR REGALIA
