Re: CEC Docket 08-AFC-09C, Palmdale Energy Project

Dear Mr. Fong,

Palmdale Energy, LLC requests the California Energy Commission terminate the license for the Palmdale Energy Project, Docket No. 08-AFC-09C on or before December 31, 2019. There does not appear to be interest among the State of California, the CAISO, the Investor owned utilities, or the Public Utilities Commission in contracting for new natural gas fired resources to support the growing need for flexible resources in the State.

Please advise if any further action or notification is required to process our request for termination. If you have any questions concerning this request, please do not hesitate to call me at (702) 360-0186 (office) or (262) 853-3777 (cell).

Sincerely,

Thomas Cameron
