Extension of Comment Period on the Staff Workshop for the Building Decarbonization Assessment

On Wednesday, December 4, 2019, the California Energy Commission (CEC) conducted a workshop to share information and receive public comment on the Building Decarbonization Assessment's proposed project scope and 1990 greenhouse gas emissions baseline. The workshop was part of the Decarbonization proceeding, 2019-DECARB-01, addressing requirements of AB 3232 (Friedman, Chapter 373, Statutes of 2018).

The workshop notice (TN 230832) and statements at the workshop requested stakeholders submit written comments by 5:00 p.m. on December 19, 2019. **The due date for written comments has been extended to 5:00 p.m. on Friday, January 10, 2020.**
