RE: Letter of Support

Dear Commissioners,

The Salvation Army Sacramento County is writing to express our strong support for Sacramento Municipal Utility District (SMUD)'s ongoing efforts to keep energy affordable for all income demographics of our community, particularly their commitment to keep energy affordable for our communities low income households.

The Salvation Army has been a proud partner with SMUD for many years through the Energy Help Program and find their dedication to sustainability and caring for their neighbor to be exemplary.

Please consider their request, knowing it will help transform lives and do good in our community.

Sincerely,

Lieutenant Larry J. Carmichael, MSOL
