Comment by Maria Martinez: "Will the loans still be available for local governments and schools?"

Response:

"According to the documents we've submitted, this program is not being repealed. We are just repealing the regulations. The program will go on as it has been going on. In addition, this is from the ISOR, Repealing the ECAA regulations will not affect how the ECAA program is currently implemented and will not impact the time or resources needed to apply for an ECAA loan."
