Mountain View's Reach Code is Wonderful

I have lived in Mountain View for more than 30 years and had the honor of Chairing Environmental Sustainability Task Forces of concerned residents in 2008 and 2017-18. Mountain View's residents, City Council and city staff are fiercely committed to lowering our community's GHG emissions as rapidly as possible.

The recently adopted Reach Code is ESSENTIAL to our ability to meet our goals. Please approve it.
