TLSN-3; VIS-1, 3; Waste-5 – Annual Operating Report**

Dear Mr. Ali:

Please find the attached, pursuant to Colusa Generating Station (CGS) Conditions of Certification COM-7. This is the Annual Compliance Report for CGS and represents the operational period of January 1, 2018 through December 31, 2018. Within this report you will find the following information;

1. Attachment A: an updated compliance matrix showing the status of all Conditions of Certification (with exception to fully satisfied conditions as they do not need to be included after they have been reported as completed);
2. Attachment B: a summary of the current project operating status with explanations of any significant changes to facility operations during the reporting year;
3. Attachment C: documents required by specific conditions to be submitted along with the Annual Compliance Report.
4. Attachment D: a cumulative listing of all post-certification changes approved by the California Energy Commission or cleared by the CPM;
5. Attachment E: an explanation for any submittal deadlines that were missed, accompanied by an estimate of when the information will be provided;
6. Attachment F: a listing of filings submitted to, or permits issued by, other governmental agencies during the year;
7. Attachment G: a projection of project compliance activities scheduled during the next year;

8. Attachment H: a listing of the year's additions to the on-site compliance files;
9. Attachment I: an evaluation of the on-site contingency plan for unplanned facility closure, including any suggestions necessary for bringing the plan up to date;
10. Attachment J: a listing of complaints, notices of violations, official warnings, and citations received during the year, a description of the resolution of any resolved matters, and the status of any unresolved matters.

Should you have any questions or comments please do not hesitate to contact me.

Sincerely,

TJ Gomez
