CA Needs to do more to support hydrogen FUEL STATION DEVELOP

CA SHOULD LOOSEN SOME OF THE ENVIRONMENTAL IMPACT & OTHER DEVELOPMENT ORDINANCES TO EXPEDITE THE DEVELOPMENT OF MORE HYDROGEN STATIONS. HYDROGEN IS FAR MORE VIABLE THAN ELECTRICITY & WILL BE ULTIMATELY CLEANER. I OWN A HYDROGEN VEHICLE(HONDA CLARITY FUEL) THAT I DRIVE THROUGHOUT THE STATE(SAN DIEGO TO SAN FRANCISCO). JUST AS THE STATE LEGISLATURE RELAXED SOME BUILDING ORDINANCES TO SPEED UP THE DEVELOPMENT OF HOUSING, IT SHOULD DO THE SAME FOR HYDROGEN STATIONS TO HELP BROADEN AND INCREASE THE INFRASTRUCTURE.
