To Whom It May Concern:

Griffin Technology Academies/Mare Island Tech (GTA/MIT,) a Charter School in the Vallejo Unified School District, City of Vallejo, CA., would like to strongly support the proposed changes to extend two program deadlines for our Prop 39 projects: the final project completion date by one year to June 30, 2021, and Final Project Completion Reports date by one year to June 30, 2022.

Our project has been delayed and the extensions will allow us time to complete the Prop 39 project, otherwise our school will suffer tremendous losses, not only in the grant, but also all the project development and engineering, and construction management costs that we have incurred thus far.

Best,

Kelly Penwell
Chief Operations Officer
Griffin Technology Academies
