*Dear Commissioners:*

*My name is Sandy Hannah, an Associate with Eric Hall & Associates and I am representing Ridgecrest Elementary Academy for Language, Music and Science (REALMS). I am writing to ask that you support extending the deadlines for the Proposition 39 school energy efficiency projects.*

*We had planned to complete all expenditures by June 30, 2020, but fear we may be unable to complete the projects by that time. Unexpected delays associated with the Governor's orders as it relates to COVID-19, school closures, delays in receiving submittals, delays in delivery of equipment, etc., have meant that we may not be able to meet the June 30, 2020 deadline. These are very important projects to the District. I hope you will extend the deadline to June 30, 2021 as proposed.*

*Thank you for your consideration.*

*Sandy Hannah*
