California Energy Commission

Sacramento, CA 95814

Dear Commissioner Hochschild:

RE: Docket 13-CCEJA-01: Comments on Proposition 39

My name is Kristen Coates, Twin Rivers Unified School District, Chief Business Official. I am writing to you to ask for your support in extending Proposition 39 deadlines for school energy efficiency projects.

Twin Rivers is on track to complete our Proposition 39 expenditures by June 30, 2020. However, due to the current uncertain times, we are concerned about being able to complete our projects by that time. These are important projects for our District, helping us save energy dollars we can use in our classrooms. Therefore, we are requesting you strongly consider extending the deadline to June 30, 2021 as proposed.

Thank you for your consideration.
