STATE OF CALIFORNIA

STATE ENERGY RESOURCES
CONSERVATION AND DEVELOPMENT COMMISSION

IN THE MATTER OF:

*Southern California Public Power Authority
Emission Performance Standard
Compliance Filing*

Docket No. 20-EPS-01

I. INTRODUCTION

Pursuant to Public Utilities Code section 8341(e)(1), the California Energy Commission (CEC) established a greenhouse gases emission performance standard (EPS) of 1,100 pounds carbon dioxide per megawatt hour, as codified in Title 20 of the California Code of Regulations, section 2900 et seq. The CEC is responsible for reviewing all long-term financial commitments entered into by local publicly owned electric utilities for compliance with the EPS.

II. FINDINGS

- a. On April 3, 2020, the Southern California Public Power Authority (SCPPA) submitted a compliance filing requesting that the CEC find that SCPPA's Power Purchase Agreement with Star Peak Geothermal LLC. for electricity from the Star Peak Geothermal Energy Project be determined to be compliant with the EPS;
- b. CEC staff reviewed SCPPA's filing and found it complete. Based on its review, staff recommended that the procurement be found to be in compliance with the EPS; specifically, staff concluded that the facility listed in the PPA is determined to be compliant with the EPS under section 2903(b)(1) of the Public Resources Code; and
- c. The CEC concurs with staff's recommendation that SCPPA's compliance filing is complete and that the contract with Star Peak Geothermal LLC, as described in the compliance filing, complies with the EPS.

III. CONCLUSION AND ORDER

The CEC hereby adopts staff's recommendation and orders that the long-term financial commitment described in SCPPA's compliance filing complies with the CEC's Greenhouse Gases Emission Performance Standard, as codified in Title 20 of the California Code of Regulations, section 2900 et seq.

CERTIFICATION

The undersigned Secretariat to the CEC does hereby certify that the foregoing is a full, true, and correct copy of an Order duly and regularly adopted at a meeting of the CEC held on May 13, 2020.
