DOCUMENTS TO BE USED AT  
EVIDENTIARY HEARING**

---

The Committee assigned to preside over the Application for Small Power Plant Exemption (SPPE) for the Sequoia Backup Generating Facility has requested that if a party wishes to use a document during the evidentiary hearing, including for the purpose of impeachment, the document shall be identified at least one business day prior to the start of the Evidentiary Hearing by reference to its number on the Exhibit List. This identification will allow for the documents to be available at the start of the Evidentiary Hearing, to be shared with the participants to the hearing, and to avoid delays in locating documents for use.
