The workshop/hearing will also include time for public comment.

A meeting agenda for the workshop/hearing will be available in the [rulemaking docket log](https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=16-RPS-03) at <https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=16-RPS-03>.

Background

On May 8, 2020, the CEC instituted a formal rulemaking to consider modifications to existing regulations specifying RPS enforcement rules and procedures for POUs. These regulations are codified in the California Code of Regulations, Title 20, sections 1240 and 3200 – 3208.

This rulemaking will update the RPS program for POUs to implement statutory changes from Senate Bill (SB) 350 (Stats. 2015, ch. 547), SB 1393 (Stats. 2016, ch. 677), SB 100 (Stats. 2018, ch. 312), and SB 1110 (Stats. 2018, ch. 605). The statutory changes affect RPS procurement requirements, optional compliance measures, reporting requirements, and special exemptions and exclusions. The rulemaking also updates other aspects of the program to facilitate implementation and improve clarity.

The proposed express terms and other rulemaking documents are available in the [rulemaking docket log](https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=16-RPS-03) at <https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=16-RPS-03>.
