**OPPIDAN'S LIST OF DOCUMENTS
TO BE USED AT EVIDENTIARY
HEARING**

The Committee assigned to preside over the Application for Small Power Plant Exemption (SPPE) for the Mission College Backup Generating Facility has requested that if a party wishes to use a document during the evidentiary hearing, including for the purpose of impeachment, the document shall be identified by June 10, 2020 and reference to its number on the Exhibit List. This identification will allow for the documents to be available at the start of the Evidentiary Hearing, to be shared with the participants to the hearing, and to avoid delays in locating documents for use.

Oppidan may use Exhibits 15, 17, 18, 19 and 20 during direct, redirect, cross-examination or closing statement.
