RPS-16-03 Prompt

RPS-16-03 Prompt

Ms. Natalie Lee,

Prompt - adj. done without delay; immediate: the owner would have died but for the prompt action of two paramedics.

The law does not require me to only use the telephone for my inquires related to the proposed action on RPS.

I know the Energy Commission has received my inquires related to the proposed action on RPS.

The docket gives me a notice of receipt by the Energy Commission.

Perhaps the Energy Commission's email system has failed again?

Perhaps the Energy Commission has no writings to fulfill my inquiries?

Your lack of written response will be taken as affirming the Energy Commission has failed to be thoughtful when it comes to decisional law and RPS.
