RPS-16-03 Thanks Public Adviser's Office

Please see that any writings staff uncover relevant to my inquiries are promptly docketed in 16-RPS-03 pursuant to Title 20 Section 1208 and GOV Section 11346.5(b).

Perhaps my RPS relevant question about the Energy Commission's definition of "product" as applied to electricity products in the express terms will be of wide-ranging interest?

Has the Public Adviser notified the public who are victims of harm caused by electricity that they may be directly affected by the proceeding?
