**NOTICE OF EXTENSION OF PUBLIC COMMENT PERIOD FOR
BUILDING DECARBONIZATION: AB 3232 – FUEL SUBSTITUTION SCENARIO
ANALYSIS TOOL WORKSHOP
TO JULY 20, 2020
California Energy Commission
Docket No. 19-DECARB-01
July 13, 2020**

On June 9, 2020, the California Energy Commission hosted a workshop on the AB 3232 Fuel Substitution Scenario Analysis Tool (FSSAT) and preliminary FSSAT results for the assessment. The deadline for written comments was in the notice as July 10, 2020, and will be extended due to the postponement of the June 26, 2020 workshop.

Therefore, the written comment period for the FSSAT workshop held on June 9, 2020 is hereby extended to: *July 20, 2020*.
