STATE ENERGY RESOURCES  
CONSERVATION AND DEVELOPMENT COMMISSION

IN THE MATTER OF:

*Imperial Irrigation District  
Emission Performance Standard  
Compliance Filing*

Docket No. 20-EPS-01

**I. INTRODUCTION**

Pursuant to Public Utilities Code section 8341(e)(1), the California Energy Commission (CEC) established a greenhouse gases emission performance standard (EPS) of 1,100 pounds carbon dioxide per megawatt hour, as codified in Title 20 of the California Code of Regulations, section 2900 et seq. The CEC is responsible for reviewing all long-term financial commitments entered into by local publicly owned electric utilities for compliance with the EPS.

**II. FINDINGS**

- a. On May 28, 2020, the Imperial Irrigation District (IID) submitted a compliance filing requesting that the CEC find that IID's Power Purchase Agreement with GeoGenCo Project #501, LLC. for electricity from the GeoGenCo Project #501 geothermal power plant be determined to be compliant with the EPS;
- b. CEC staff reviewed IID's filing and found it complete. Based on its review, staff recommended that the procurement be found to be in compliance with the EPS; specifically, staff concluded that the facility listed in the PPA is determined to be compliant with the EPS under section 2903(b)(1) of the Public Resources Code; and
- c. The CEC concurs with staff's recommendation that IID's compliance filing is complete and that the contract with GeoGenCo Project #501, LLC, as described in the compliance filing, complies with the EPS.

**III. CONCLUSION AND ORDER**

The CEC hereby adopts staff's recommendation and orders that the long-term financial commitment described in IID's compliance filing complies with the CEC's Greenhouse Gases Emission Performance Standard, as codified in Title 20 of the California Code of Regulations, section 2900 et seq. Should the final facility design significantly change

from the specifications provided in the compliance filing, IID must submit a subsequent compliance filing providing the updated information.

### **CERTIFICATION**

The undersigned Secretariat to the CEC does hereby certify that the foregoing is a full, true, and correct copy of an Order duly and regularly adopted at a meeting of the CEC held on July 8, 2020.
