**RE: Approval letter to use the 3 Rail Mounting**

Dear [REDACTED],

This letter hereby states that LG supports and provides warranty for the referenced LG modules which have been mounted by the **3 Rail Mounting system** for the load of **180psf downforce only** under the following conditions.

System	Depth of clamp	Installation Scene(Picture)
		Down force only
<b>3 Rail Mounting</b>	-	<b>180psf (8620Pa)</b>

The following LG Solar modules are approved for warranty:

LG Model Number
LGxxxN1C-A5
LGxxxQ1C-A5

Our warranty provides all the terms and conditions underlying our obligations and the warranty. Although this Letter serves as an authorization to employ **the 3 Rail Mounting System**, the original warranty terms for the modules would be rescinded in the event of:

- Misuse, abuse, neglect, or accident such as micro crack to the cells or glass damages;
- Alteration, improper installation or application;
- Non-observation of LG Electronics' installation and maintenance instructions;
- Repair or modifications by someone other than an approved an approved technician of LG;
- Power failure surges, lightening, fire or other event outside LG Electronics' control;
- Defect or Power drop due to the incline load;

If you have any questions or concerns in regards to this letter of authorization, please feel free to call your LG Electronics Sales Manager.
