**APPLICATION FOR SMALL POWER PLANT
EXEMPTION FOR THE:**

***SEQUOIA BACKUP GENERATING
FACILITY***

Docket No. 19-SPPE-03

**REVISED NOTICE OF CALIFORNIA ENERGY COMMISSION HEARING
TO RECONSIDER MOTION TO REMAND**

On September 9, 2020, the California Energy Commission (CEC) conducted a public hearing to consider the Committee Proposed Decision¹ on the application for a small power plant exemption (SPPE) submitted by C1-Santa Clara, LLC (Applicant) for the Sequoia Backup Generating Facility.

After conducting the public hearing on the Committee Proposed Decision, the CEC adopted a motion to remand the proceedings back to the Committee to consider air quality and public health impacts in light of the recent energy emergencies² (Motion to Remand).

Pursuant to California Code of Regulations Title 20, section 1203, subdivision (c), the CEC will conduct a hearing to receive comment and to reconsider the Motion to Remand.

¹ On September 11, 2019, the CEC appointed a committee (Committee) to conduct proceedings on the application for a small power plant exemption (SPPE) for the Sequoia Backup Generating Facility. The Committee consists of Karen Douglas, Commissioner and Presiding Member, and Patty Monahan, Commissioner and Associate Member. (TN 229721.) On August 21, 2020, the Committee issued a Committee Proposed Decision which recommends approval of an SPPE for the Sequoia Backup Generating Facility. (TN 234416.)

² See TN 234840, at pp.25-26. On August 16, 2020, and September 3, 2020, the Governor proclaimed a state of emergency that allowed the emergency use of stationary generators during extreme heat events that were deemed an emergency event. (See August 16, 2020, Governor's [Proclamation of a State of Emergency](https://www.gov.ca.gov/wp-content/uploads/2020/08/8.16.20-Extreme-Heat-Event-proclamation.pdf), available at <https://www.gov.ca.gov/wp-content/uploads/2020/08/8.16.20-Extreme-Heat-Event-proclamation.pdf>, and September 3, 2020, Governor's [Proclamation of a State of Emergency](https://www.gov.ca.gov/wp-content/uploads/2020/09/9.3.20-Extreme-Heat-Event-Proclamation.pdf), available at <https://www.gov.ca.gov/wp-content/uploads/2020/09/9.3.20-Extreme-Heat-Event-Proclamation.pdf>.)

PLEASE TAKE NOTICE that on October 14, 2020, the CEC will hold a public hearing during the CEC's regularly scheduled Business Meeting to consider whether to affirm, affirm with modifications, or vacate the Motion to Remand.

WEDNESDAY, OCTOBER 14, 2020
The Business Meeting begins at 10:00 a.m.

REMOTE ACCESS ONLY

The CEC's October 14, 2020 Business Meeting will be held remotely, consistent with Executive Orders N-25-20 and N-29-20 and recommendations from the California Department of Public Health to encourage physical distancing in order to slow the spread of COVID-19. The public and parties will be able to participate consistent with the direction in these Executive Orders.

To participate remotely, please see the instructions below under the section **"PARTICIPATING REMOTELY."**

Members of the public and the parties to the Sequoia Backup Generating Facility may participate and offer oral and written comments at the hearing. The CEC also invites the public, agencies, and parties to file written comments on the Motion to Remand in advance of the hearing. For information about how to file comments before the hearing, please see instructions below under **"PROVIDING COMMENT."**

PURPOSE OF CEC HEARING

The purpose of this hearing is to consider whether the CEC should affirm, affirm with modifications, or vacate the CEC's adoption of the Motion to Remand. The Chair of the CEC has the authority to regulate the conduct of proceedings and hearings, including the power to designate the process for commenting on a matter.³ The CEC is taking this additional step to reconsider its action on the Motion to Remand because parties and the public were unable to comment on the proposed Motion to Remand.

During the CEC public hearing to consider the Committee Proposed Decision, parties to the proceeding, including CEC Staff, the Applicant, and Intervenor Robert Sarvey, presented arguments and comments to the CEC. During the public comment period, both the California Air Resources Board (CARB) and the Bay Area Air Quality Management District (BAAQMD) offered comments on the Committee Proposed Decision. These commenters proposed that the CEC consider additional information about air quality and public health impacts, particularly in light of the recent energy

³ Cal. Code of Regs., Tit. 20, § 1203(c).

emergencies.⁴ At the conclusion of the public comment period, the CEC adjourned to a properly noticed closed session to deliberate on the Committee Proposed Decision and statements made by the parties and commenters.

Upon returning from the closed session, the CEC adopted a motion to remand the proceedings back to the Committee for further proceedings, citing the new information about energy emergencies and the need to consider additional relevant information on air quality and public health impacts, as suggested by CARB and BAAQMD. The CEC did not solicit or receive any additional public comment before considering and voting to adopt the Motion to Remand.

On September 10, 2020, Applicant filed a “Petition for Reconsideration and Appeal of Committee Ruling” (Petition) regarding the Motion to Remand.⁵ According to the Applicant’s Petition, the Applicant’s counsel was muted and not allowed to comment on the Motion to Remand.⁶ The CEC is thus reconsidering its action on the Motion to Remand on its own authority and is, at this time, not considering whether the Applicant has established a legal right to its Petition.

The CEC is interested in hearing from the parties, interested government agencies, and the public on whether to affirm, affirm with modifications, or vacate the Motion to Remand. Those in support of affirming the Motion to Remand with modifications are encouraged to suggest proposed language supporting that recommendation.

If, after receiving comments from the parties, interested government agencies, and the public, the CEC affirms the action on the Motion to Remand or affirms the action on the Motion to Remand with modifications, then the Committee will conduct further proceedings consistent with the CEC’s direction. If the CEC vacates the action on the Motion to Remand, the CEC will set a date for a continued hearing on the Committee Proposed Decision.

Until the hearing on the reconsideration of the Motion to Remand is complete, the decision to remand continues in full force and effect. The Committee may issue questions for the parties and government agencies to address in advance of the Business Meeting to assist in the orderly conduct of the hearing.

⁴ These energy emergencies included a heat storm which affected much of the western United States and limited the availability of out of state power, and fire emergencies that caused Public Safety Power Shutoff Power (PSPS) interruptions to the electrical grid.

⁵ TN 234649.

⁶ *Id.*, p. 1.

PROVIDING COMMENT

The parties, state and local government agencies, and members of the public, are invited to submit written comments on the Motion to Remand in advance of the October 14, 2020, Business Meeting. The CEC requests that comments on the Motion to Remand be submitted by 5:00 p.m. on **October 7, 2020**. It is not necessary to be an Intervenor to participate in the public process. [Comments may be submitted electronically to:](#)

<https://efiling.energy.ca.gov/Ecomment/Ecomment.aspx?docketnumber=19-SPPE-03>.

Written comments may also be submitted for posting on the proceeding docket by emailing them to docket@energy.ca.gov, or by U.S. mail to:

California Energy Commission
Docket Unit
Docket Number: 19-SPPE-03
1516 Ninth Street, MS-4
Sacramento, CA 95814

For all written comments, please include the docket number and proceeding name **“Docket No. 19-SPPE-03, Sequoia Backup Generating Facility SPPE”** in the subject line and on the cover page.

The CEC will also accept oral comments at the hearing. Please see the section below, “PARTICIPATING REMOTELY,” for instructions on how to present oral comments.

Please note: Your written and oral comments, attachments, and associated contact information (e.g., your address, phone, email, etc.) become part of the viewable public record. Additionally, this information may become available via internet search engines.

PARTICIPATING REMOTELY

To participate by telephone only, call (888) 823-5065 on the day of the Business Meeting after 9:50 a.m. (Pacific Time). The passcode is "business meeting." If you plan to make public comment about a specific item, please provide your name, affiliation, and the item number to the operator.

PUBLIC ADVISOR AND OTHER CEC CONTACTS

The CEC's Public Advisor's Office provides the public with assistance in participating in CEC proceedings. For information on how to participate in this proceeding, or to request language services or other reasonable accommodations, please contact the [Public Advisor, Noemí O. Gallardo](mailto:publicadvisor@energy.ca.gov), at publicadvisor@energy.ca.gov, or by phone at (916) 654-4489, or toll free at (800) 822-6228. Requests for interpreting services and reasonable accommodations should be made at least five days in advance of the hearing. The CEC will work diligently to accommodate late requests.

Questions of a procedural nature related to the Sequoia Application should be directed to [Susan Cochran, Hearing Officer](mailto:susan.cochran@energy.ca.gov), at susan.cochran@energy.ca.gov or (916) 654-3965.

Technical questions concerning the Sequoia Application should be addressed to [Leonidas \(Lon\) Payne, Project Manager](mailto:Leonidas.Payne@energy.ca.gov), at Leonidas.Payne@energy.ca.gov or at (916) 651-0966.

Media inquiries should be sent to the [Media and Public Communications Office](mailto:mediaoffice@energy.ca.gov) at mediaoffice@energy.ca.gov or (916) 654-4989.
