Dear Ms. Dyas:

I am writing to inform you that the owner of the Moss Landing Power Plant (MLPP) has undergone an administrative name change to improve the alignment of the organization. This change is administrative only and will not constitute a change in actual ownership, management or operation.

On or about November 2, 2020 the following administrative name change occurred:

- The owner of MLPP, Dynegy Moss Landing, LLC, was changed to Moss Landing Power Company, LLC.

Accordingly, MLPP is now owned by Moss Landing Power Company, LLC.
