**Public Comment Extension for December 14, 2020 Senate Bill 49
Flexible Demand Appliance Standards Workshop**

On December 14, 2020, the California Energy Commission (CEC) held a Lead Commissioner workshop to solicit feedback on Senate Bill 49 (Chapter 697, Statutes 2019) flexible demand appliance standards framework setting. The CEC extends the public written comment period for the proposed regulatory language for this workshop. This 30-day comment period extension will ensure that stakeholders have the appropriate time to review docket information and provide adequate feedback.

The comment period for the flexible demand appliance standards workshop is extended to 5:00 p.m. on Wednesday, February 3, 2021.

The workshop presentations, introductory staff paper on flexible demand appliance standards, and other [supporting documentation](#) can be found at <https://efiling.energy.ca.gov/Lists/DocketLog.aspx?docketnumber=20-FDAS-01>.

For detailed information about the process and instructions related to commenting, please see the original [Notice of Lead Commissioner Workshop on Senate Bill 49 Flexible Demand Appliance Standards](#), published November 19, 2020.
