SJV Affordable Energy Pilot

- SJV Pilot Program is requiring registration of mobile home for project to move forward (registration is required for permits necessary for improvements)
- Commissioner Advisor will connect SJV and MHP staff at the CPUC and connect with HCD to discuss the issue
- Community Engagement Subcommittee will draft a letter to send to HCD to connect with CPUC staff to address registration mobile home registration issue,

Biomethane - proceeding regarding biomethane voluntary tariff

- Biomethane Subcommittee will draft and submit letter to CPUC elevating concerns regarding proposed voluntary tariff

Item 3 - CPUC and CEC presentation regarding equity efforts and discussion about definitions and metrics related to disadvantaged communities

Some comments:

- Need greater follow-up on how some of the definitions don't capture vulnerabilities of tribes
- Need to consider geographic vulnerability of unincorporated communities
- Data gaps continue to be an obstacle with respect to both native people and unincorporated communities
- Some next steps include more extensive engagement with tribes

-Angela to connect with members of the EJSJ subgroup to further develop outreach plan, Tyrone and Jana will join that group as well. Will work with Kathleen and Noemi to set up a meeting

Item 4 - CEC presentation regarding SB 100 effort and opportunities to engage in draft report

Some Comments:

-Important to move quickly toward no-combustion and understanding how to address and understand cost differential and how that compares to health costs associated with combustion
SB 100 subcommittee to draft and submit comment letter
