**Docket Number: 20-RENEW-01**  
**Project Title: School Energy Efficiency Stimulus Program**

**Dear Commissioners and Energy Commission Staff,**

**The following recommendation is made to insure that LEAs utilizing the SEES program are given the most effective program and afforded the simplest manner to procure goods and services for their projects. This recommendation is based on the use of current procurement methods which LEAs are familiar with and therefore do not additionally burden the LEAs with added time or expense to learn new methods procurement methods before implementing their projects.**

**It is recommended that the SEES align their procurement for goods and services with the current CA State Public contract and government codes to allow LEAs flexibility to expedite the process as needed for students to safely return to the classroom.**

**Thank you.**

**Keith Loewen**  
**Director of Financial Services**  
**Washington Unified School District**
