Ab841 Article 3, section 1620, paragraph (a) â€“

I am a "NBC TAB Certified Supervisor (technician)" and have been licensed in the state of California CSLB# 810656 for 20 years and the verbiage of this bill is denying me work opportunities. Please accept National Balancing Council "NBC" as a "Certified TAB Technician".

Please note "NBC" is defined in the ASHRAE Building Readiness Standards

Thank you.
