**Subject: STATUS REPORT #2 FOR THE LAFAYETTE BACKUP GENERATING FACILITY
SMALL POWER PLANT EXEMPTION (20-SPPE-02)**

In its December 23, 2020 order directing parties to file Monthly Status Reports, the Committee ordered the parties to file and serve a Status Report on or before the 10th of each month.

Staff has no new updates since the filing of its January 2021 status report and continues to wait for the filing by the applicant of any project changes as a result of the December 12, 2020, letter from the Bay Area Air Quality Management District relating to Best Available Control Technology (BACT) for emergency backup generators.
