- Adjourn

The CEC adopted a resolution strengthening its commitment to diversity in our funding programs. The CEC continues to encourage disadvantaged and underrepresented businesses and communities to engage in and benefit from our many programs.

To meet this comment, CEC staff conducts outreach efforts and activities to:

- Engage with disadvantaged and underrepresented groups throughout the state;
- Notify potential new applicants about the CEC's funding opportunities;
- Assistant applicants in understand how to apply for funding from the CEC's programs; and
- Survey participants to measure progress in diversity outreach efforts.

Scan the code on a phone or tablet with a QR reader to access the survey.

One Minute Survey

The information supplied will be used for public reporting purposes to display anonymous overall attendance of diverse groups.

Zoom Participants, please use the link in the chat to access the survey or scan the QR code on the left of the screen with a phone or table to access the survey.

The survey will be closed at the end of the day.

Clean Transportation Program Background

- Formerly known as the Alternative and Renewable Fuel & Vehicle Technology Program (ARFVTP)
- Established in 2007 by Assembly Bill 118 (2007).
- Extended to January 1, 2024 by Assembly Bill 8 (2013)
- Provides approximately \$95 million of funding per year through 2023.
- Investment Plan to determine funding allocations across various categories.
- Total program investment in workforce to date: \$34.5 million

Purpose of the Clean Transportation Program

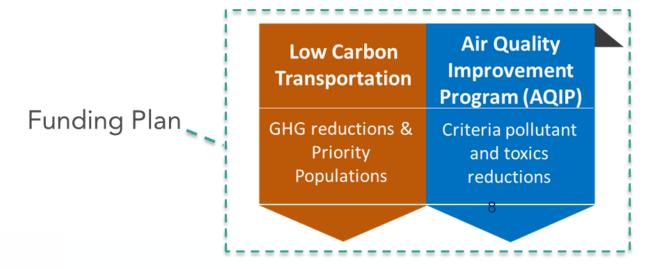

Provides approximately \$95 M of funding per year through the end of 2023

"...to develop and deploy innovative technologies that transform California's fuel and vehicle types to help attain the state's climate change policies."

Complementary goals:

- Improve air quality
- Investments in low-income and disadvantaged communities
- Promote economic development
- Increase alternative fuel use
- Reduce petroleum dependence

CARB Incentive Funding Portfolio

| Community Air Protection (AB 617) | Carl Moyer Program | FARMER | VW Mitigation Trust |
|--|-------------------------|--|--------------------------------|
| Criteria and toxics, & GHG reductions for community goals | SIP emission reductions | Criteria, toxics, and GHG reductions for ag sector | NOx Mitigation & zero-emission |

Clean Transportation Program: Workforce Portfolio

Partnerships

- California Employment Training Panel
- California Employment Development Department
- California Community College Chancellor's Office
- California Workforce Development Board
- California Community Colleges

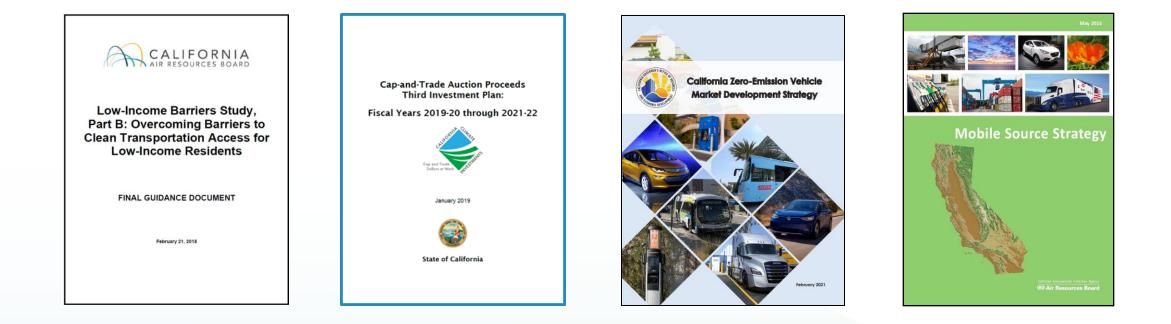

Projects

- Transit Training Apprenticeship
- Clean Transportation Pilot Training Project
- Electric School Bus Training Project
- ZEV College Training Project
- High School "Automotive 3: ZEV Technology" Pilot Project
- California Sustainable Freight Workforce Pilot Project
- CEC/CARB Drayage Solicitation

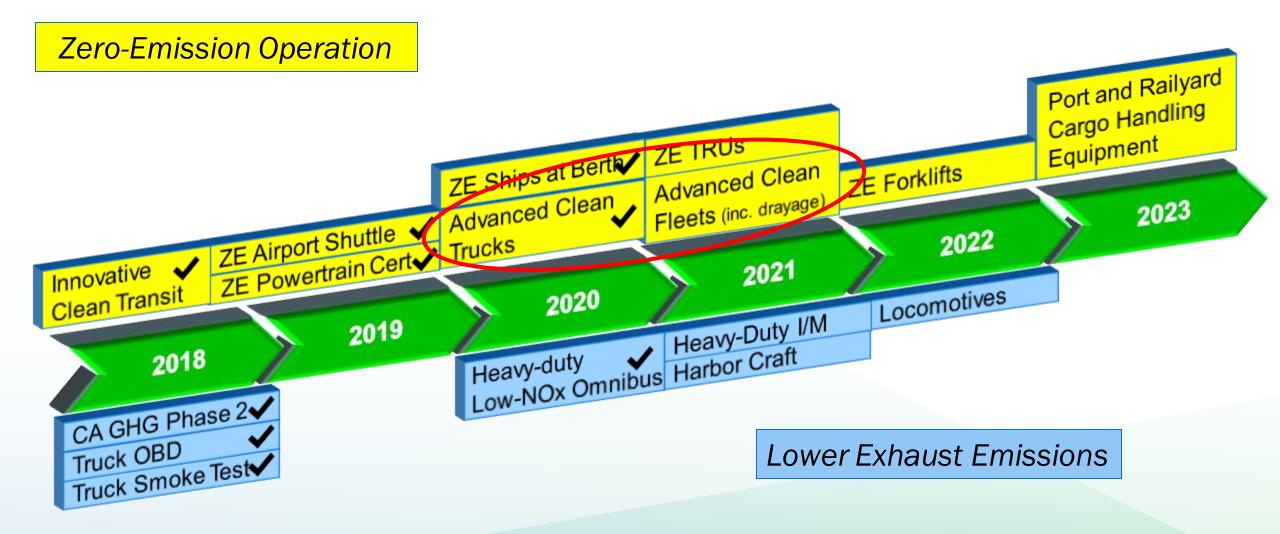

CARB Suite of Mobile Source Regulations and Initiatives

Draft Pre-Solicitation Concept Overview

IDEAL ZEV Workforce Pilot: Training, Employment, and Recovery

- A total of up to \$6,000,000 is available to fund projects.
- CEC reserves the right to increase or decrease this funding amount.

Applicants may only submit **one** application

Small Grants:

• Minimum Award is \$50,000; Maximum Award is \$250,000

Large Grants:

• Minimum Award is \$250,001; Maximum Award: \$500,000

Eligible:

- Community-based organizations (CBOs)
- Non-profits (NP)
- California Native American Tribes
- Tribal serving non-governmental organizations (NGOs)
- Private entities
- Public entities

Required to be registered and be in good standing with the California Secretary of State, <u>https://www.sos.ca.gov</u>, to enter into an agreement with the CEC.

Applicant Eligibility (cont.)

Ineligible:

- California-based Manufacturers
- California state agencies, departments, boards, and commissions
- California Community Colleges, California State Universities, University of California, and their foundations
- Private colleges and universities and their foundations
- Local Workforce Investment Boards and Workforce Development Boards
- K-12 public and private schools

Eligible:

- Fuel types:
 - Electricity
 - Hydrogen
- ZEVs:
 - On- and off-road vehicles and equipment
 - Light-, medium-, and heavy-duty vehicles
- ZEV-related vehicle and equipment:
 - Electric vehicle chargers
 - Hydrogen refueling stations

Project Eligibility (cont.)

Eligible projects in underserved communities include but are limited to:

- Piloting new and/or expanding existing programs that may provide career pathways in ZEV-related industries (e.g., manufacturing, construction).
- Developing new ZEV-related curriculum, and/or integrate, and/or enhance within existing curriculum, instructional materials, and training.
- Leveraging local/regional workforce entities and programs, systems, education partners, and learning centers.
- Providing supportive services for workforce participants.
- Reimbursing participant costs for ZEV-related automotive and/or truck training and certification and degree programs.
- Reimbursing participant costs for Automotive Service Excellence (ASE) training and certification for specific ZEV-related technologies.

Project Eligibility (cont.)

<u>Ineligible</u> projects in equity communities include:

- Internal combustion engine and related technologies (i.e., non-ZEV).
- Hybrid fuel technologies.
- Non-vehicle and/or equipment technologies.
- Conducting market studies, literature reviews and surveys, or technology surveys and development, and data-analysis studies.
- Conducting technology research, development, and deployment.
- Vehicle and equipment tests for compliance and/or certification.
- Software/hardware/firmware technology development.
- Training for Occupational Safety and Health Administration (OSHA) requirements and other required compliance or regulatory training.

Match Funding Requirements

- No match funding requirement
- Encouraged to identify match share funding contributions to the project as either cash and/or in-kind

- <u>Eligible</u> costs for CEC reimbursement or applicant match share include but are not limited to:
 - Curriculum development
 - Attendee training
 - Instructor training
 - Tuition reimbursement
 - Training assets, materials, supplies, and equipment acquisition
 - Books and training materials
 - Translation services of training resources
 - Support or stipends for training support services

Ineligible costs for CEC reimbursement:

- Capital improvements
- Construction
- Operations expenses
- Administrative and/or consultant costs greater than ten (10) percent
- Marketing, advertising, and promotional activities

How Award is Determined

- Administrative Screening Criteria
- Technical Screening Criteria
- Evaluation Process
- Evaluation Committee
- Minimum score of seventy percent (70%) is required for funding eligibility
- Evaluation Criteria

| Percent of Possible Points | Interpretation | Explanation for Percentage Points |
|-------------------------------|------------------------------|--|
| 0 percent | Not Responsive | Response does not include or fails to address the requirements being scored. The omissions, flaws, or defects are significant and unacceptable. |
| 10-30 percent | Minimally Responsive | Response minimally addresses the requirements being scored. The omissions, flaws, or defects are significant and unacceptable. |
| 40-60 percent | Inadequate | Response addresses the requirements being scored, but there are omissions, flaws, or defects or the requirements are addressed in such a limited way that it results in a low degree of confidence in the proposed solution. |
| 70 percent | Adequate | Response adequately addresses the requirements being scored. Any omissions, flaws, or defects are inconsequential and acceptable. |
| 75 percent | Between Adequate and Good | Response better than adequately addresses the requirements being scored. Any omissions, flaws, or defects are inconsequential and acceptable. |

| Percent of Possible Points | Interpretation | Explanation for Percentage Points |
|-------------------------------|--------------------------------------|---|
| 80 percent | Good | Response fully addresses the requirements being scored with a good degree of confidence in the Applicant's response or proposed solution. There are no identified omissions, flaws, or defects. Any identified weaknesses are minimal, inconsequential, and acceptable. |
| 85 percent | Between Good and Excellent | Response fully addresses the requirements being scored with a better than good degree of confidence in the Applicant's response or proposed solution. There are no identified omissions, flaws, or defects. Any identified weaknesses are minimal, inconsequential, and acceptable. |
| 90 percent | Excellent | Response fully addresses the requirements being scored with a high degree of confidence in the Applicant's response or proposed solution. Applicant offers one or more enhancing features, methods or approaches exceeding basic expectations. |
| 95 percent | Between Excellent and Exceptional | Response fully addresses the requirements being scored with a better than excellent degree of confidence in the Applicant's response or proposed solution. Applicant offers one or more enhancing features, methods or approaches exceeding basic expectations. |
| 100 percent | Exceptional | All requirements are addressed with the highest degree of confidence in the Applicant's response or proposed solution. The response exceeds the requirements in providing multiple enhancing features, a creative approach, or an exceptional solution. |

| Scoring Criteria | Points |
|---|--------|
| Project and Project Team | 20 |
| Community, Partnerships, and Engagement | 20 |
| Budget | 15 |
| Project Readiness and Implementation | 25 |
| Innovation and Sustainability | 10 |
| Economic and Environmental Benefits | 20 |
| Performance Metrics and Data Collection | 15 |
| TOTAL POSSIBLE POINTS: | 125 |

Zoom Participants

- Use the "raise hand" feature to make verbal comments
- Use the Q&A feature to type in your question

Telephone Participants:

- Dial *9 to raise your hand
- Dial *6 to mute/unmute your phone line.
