Subject: **CEC STAFF OPENING TESTIMONY FOR THE SEQUOIA BACKUP GENERATING FACILITY (19-SPPE-03) APPLICATION FOR SMALL POWER PLANT EXEMPTION (SPPE) PROCEEDING**

In accordance with the Second Revised Scheduling Order and Related Orders docketed February 5, 2021 (TN 236651), California Energy Commission staff (staff) hereby identifies all the documents comprising staff's Opening Testimony, all of which have been previously docketed. This testimony consists of the following documents, not including the testimony and exhibits submitted and already previously accepted into the record, which staff does not believe require re-identification and re-submittal:

- Energy Commission Staff's Comments on Motion to Remand (TN 235472)
- Staff's Response to Committee Questions (TN 235936)
- Energy Commission Staff's January Status Report (TN 236330)
- Energy Commission Staff's February Status Report (TN 236833)
- Revised Initial Study and Proposed Mitigated Negative Declaration (TN 236919)
- CEC Staff Resume of Joseph Hughes, P.E. (TN 236956)
