Inaccuracies in Table 2 - Low Income Data within the Project Area

2 items of note regarding Table 2 - Low Income Data within the Project Area, on page 5 of the Statement of Staff Approval (although I don't know that it affects the outcome of the recommendation):

Roseville Joint Union High School District, which operates in Roseville, Placer County and the Antelope area of Sacramento County, was not taken into consideration and their numbers are not included.

Numbers for Enrollment for Meals & Free and Reduced Price Meals in Sutter County cannot be accurate as listed, and appear to be reversed.
