PSDP-21-01 RECs not to be claimed more than once

PSDP-21-01 RECs not to be claimed more than once

Perhaps staff have overlooked Energy Commission regulations implementing Public Utilities Code - PUC 399.21. (a) (2) in embellishing PSD Program Regulations Sections 1394(b)(2)(A) and 1394.2(b)(1)(B)(4) in administrative bulletin TN237300?

Please clarify REC claims made on Power Content Labels for verifying retail product claims in this state may not be counted for compliance with the Renewables Portfolio Standard pursuant to Public Utilities Code - PUC 399.21. (a) (2) and vice versa.
