Subject: Re: Clarification re Sequoia Evidentiary Hearing

Dear Ms. DeCarlo:

Thank you for your inquiry. The Committee directed the parties to file written cross-examination questions and written responses to those questions. However, the Committee understands there may be the need for some limited oral cross-examination questions. The parties should have witnesses available in the event the Committee authorizes limited oral cross-examination questions and responses to those questions. The Committee Notice directed the parties to file written rebuttal testimony to the Compiled Revised IS/PMND by April 28, 2021. There are no other requirements that the parties file rebuttal testimony.

Please let me know if you have any additional questions.

Susan Cochran

Subject: Clarification re Sequoia Evidentiary Hearing

Hello Hearing Officer Cochran,

As I read the NOTICE OF PREHEARING CONFERENCE, EVIDENTIARY HEARING, SCHEDULING ORDER, AND FURTHER ORDERS for the Sequoia proceeding, the Evidentiary Hearings will not involve any oral direct or rebuttal testimony. Nor is there provision for written rebuttal testimony. Is this correct or have I misread the notice? I just want to make sure we have an accurate understanding of what the Committee expects. Thank you.
