**Re: Public Comment on CEC Staff Draft SEES/SRVEVR Guidelines
DOCKET 20-RENEW-01**

Dear Deputy Director Lee:

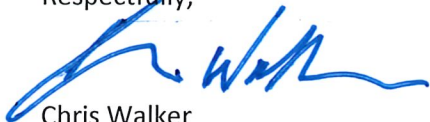

The California Association of Sheet Metal and Air Conditioning Contractors' National Association (CAL SMACNA) appreciates the efforts taken to date by the California Energy Commission (CEC), Commissioners Douglas and McCallister and their staff to develop program guidelines for the implementation of the School Energy Efficiency Stimulus program authorized by AB 841 (Ting), Chapter 372, Statutes of 2020.

In respecting the time of CEC staff and to avoid unnecessary duplication of comments, CAL SMACNA wishes to support and align itself with the comments submitted to you by Adams Broadwell Joseph & Cardozo on behalf of the Joint Committee on Energy and Environmental Policy (JCEEP), as well as, the comments submitted to you by the National Energy Management Institute (NEMI).

Our contractors look forward to meeting with you, CEC staff and other stakeholders in the days ahead to help answer questions or provide additional information as necessary.

Thank you for the opportunity to provide comment.

Respectfully,

Chris Walker
Executive Vice President
CAL SMACNA
