Joint Agency Workshop on Next Steps to Plan for Senate Bill 100 Resource Build

On June 2, 2021, the California Energy Commission (CEC) jointly conducted a workshop with the California Public Utilities Commission (CPUC) and the California Independent System Operator (CAISO) to initiate a process to explore next steps to plan for the development of resources that will be required to achieve the goals of Senate Bill 100 (SB 100).

Following are the links to the event recordings for both the morning session and the afternoon session.

Morning Session

Panel 1 Current Status of Resource and Transmission Planning Presentations

Panel 2 Publicly Owned Utilities Panel Discussion – Perspectives on planning needs to meet SB100 goals

Panel 3 Investor-Owned Utilities and Community Choice Aggregator Panel Discussion
