WHF Language Correction

On page 387 of the 2022 Standard this text on item #8:

8. When whole-house fans are required (REQ), only those whole-house fans that are listed in the Appliance Efficiency Directory may be installed.

Strike out: "Appliance Efficiency Directory"

Replace with: Home Ventilating Institute's Certified Products Directory

So that this text lines up with new requirements on Section 150.1.12.A
