RE: Demand Forecast Forms Submittal for 2021 IEPR—Title 20, Article 2,  
Section 1345  
Docket #21-IEPR-03 SDG&E Electricity Demand Forecast.

Dear Mr. Bohan:

Pursuant to CCR, Title 20, Article 2, Section 1342, please accept this letter as SDG&E's Application for an extension of time to submit the Demand Forecast described below. In addition to this letter, the request is supported by the attached declaration of Timothy S. Vonder (Attachment A).

SDG&E is in the process of enhancing its forecasting models and post modeling adjustment components in ways that should help us perform more detailed analyses for the 2021 IEPR cycle. SDG&E respectfully requests a twenty-one-day (21) extension of the due date for submitting its Demand Forecast forms for the 2021 IEPR from June 30, 2021 to July 21, 2021.

SDG&E intends to continue to work diligently in completing the forecast. We believe the extra time will enable us to produce a high-quality forecast, without needing to revise or update its submission, and doing so will not adversely affect the overall 2021 IEPR schedule.

Should you have any questions, please feel free to contact Tim Vonder, Principal Regulatory Economic Advisor for SDG&E at (760) 436-9749 or [tvonder@sdge.com](mailto:tvonder@sdge.com).

Mr. Drew Bohan
